

FAMILY DAY

4 November 1978

REMARKS

Welcome - nice to have you here

Families especially important to us

Ask spouse to make sacrifices in job

and positive support often impossible to adequately recognize

Support more important because intelligence more important than ever:

Parity; interdependence; activism

a. Need info - how get

b. Unique CIA areas

- HUMINT - complementary with technical
- S&T - keeping up with technology
- Analysis - best in USG - non-policy oriented
- Admin/Support/Comm - couldn't do without

All 4 big jobs

Optimistic

1. Pub. support

2. Qual product

Thanks
